

# EMT6-OVA

## 品系基本信息

|       |                                                                                                                                                             |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 目录号   | NM-S22A-TM04                                                                                                                                                |
| 细胞系名称 | EMT6-Tg(OVA)Smoc                                                                                                                                            |
| 品系状态  | 构建中                                                                                                                                                         |
| 品系描述  | <p>OVA基因鸡源化过表达的EMT6小鼠乳腺癌细胞系</p> <p>*使用本品系发表的文献需注明: EMT6-OVA cell line (Cat. NO. NM-S22A-TM04) was purchased from Shanghai Model Organisms Center, Inc..</p> |

## 验证数据
